

Individual Self Pledge Setup

Access Elexio Community ChMS Membership Site at <https://ecwausadcc.elexiochms.com/members>

Click the Giving tab and then select + Pledge.

Select the **Campaign** from the drop-down list and then enter the **Start Date**, **End Date**. Enter the **Periodic Amount** and select the **Frequency** from the drop-down list and the **Total Amount** is calculated for you. Or, select the **Frequency** and enter the **Total Amount** and the **Periodic Amount** is calculated for you. Finally, select if the pledge is **Active** and click the **Save** button when done.

New user? Create an account.

Go to the **My Details** page by tapping on your **Name**. Tap on the **GIVING** tab to access your **Recent Giving** and **Pledge** information. From there you can review your information, create a new pledge or edit an existing pledge.

Create a New Pledge

Tap + **Create new pledge**. Select the **Campaign** from the list and then enter the **Start Date** and **End Date**. Select the **Frequency** from the list and enter the **Periodic Amount** and the **Total Amount** is calculated for you. Or, select the **Frequency** and enter the **Total Amount** and **Periodic Amount** is calculated for you.

Tap **Create** when done.

Edit an Existing Pledge

From the **GIVING** tab, tap on an existing pledge. Tap **Edit** and tap on the desired information to change and make your correction.

Tap **Save** when done.
