INTRODUCTION

Bingham University established by the Evangelical Church Winning All (ECWA) in 2005 was conceived on the ruins of public universities in Nigeria. Its founding fathers, visionaries within the various Executive Councils, as well academics of ECWA extraction, looked back to the golden age of mission education with its focus, purposefulness, and high quality. It was the desire for meeting the soaring need for not only quality, secular education, but education that recognizes and integrates the moral and spiritual values on which the Christian faith is founded which fueled its establishment. Recognizing the importance of the technological revolution of the 19th and 20th centuries, Bingham University is determined to build a technology-driven institution of the 21st century.

The University has had four (4) Vice Chancellors since inception. The Pioneer Vice Chancellor was Professor Aaron Gana of blessed memory from 2006 to 2007. He was succeeded by Professor Felix I. Anjorin also of blessed memory, from 2007 to 2013. The third Vice Chancellor was Professor Leonard KursimFwa from 2013 to 2017, while the fourth Vice Chancellor is Professor William Barnabas Qurix, OFR 2018 onward.
